[BCCHR Doctoral Studentship](#)

Deadline: December 8

**New Award Announcement:
Child Health Awards, supporting diversity**

We are very excited to announce the new **Child Health Awards**, specifically for students in the WACH program, in support of students from **equity-deserving groups** who are under-represented in child health research.

Please find the award description and application instructions [here](#) and on

[Canvas](#).

Application due date: Friday, November 3, 2023, 5:00pm
Applications should be submitted to the WACH program at wach.program@ubc.ca

If you have any questions or require clarification, please contact Laura Sly at laurasly@mail.ubc.ca

Orientations

Day #2 – BCCHR Student & Trainee Orientation – Sep 27 | 10:00 – 11:00 am | Room 2108 or Virtual

Day #3 – BCCHR Resources (Part #2) – Sep 28 | 12:00 – 1:00 pm | Virtual

Updates & Reminders - Postdocs

Applications for the Faculty of Medicine Postdoctoral Peer Mentorship Program 2023-24 are now open!

The Graduate and Postdoctoral Education office is pleased to present the 10 month [Postdoctoral Fellow Peer Mentorship Program \(PDPMP\)](#). This program

aims to foster a dynamic mentorship environment by pairing postdoctoral fellows in the Faculty of Medicine with colleagues who share career goals.

The deadline to register is **September 18**. To learn more, please visit the [PDPMP website](#).

Updates & Reminders - Faculty

WACH faculty are invited to the [Upstander Engagement](#) workshop on September 22, 10:00 - 12:00, BCWH.

Register here:

https://ubc.ca1.qualtrics.com/jfe/form/SV_cO1KFCoKnKNILSe

by **today, September 8!**

Upstander Engagement is a social justice tool that members of our community, especially those with privilege and power, can use to intervene and support members of our community who are harmed by exclusionary, racist and discriminatory conduct and whose vulnerability and lack of power make it challenging and exhausting to act on their own behalf.

There will be one pre-workshop module to cover the theory component. The workshop will be very practical and interactive!

Workshops & Meetings

Resource of the Week

G+PS Graduate Game Plan

<https://www.grad.ubc.ca/current-students/professional-development/graduate-game-plan>

The Graduate Game Plan guides students through the different stages of their graduate education. It provides advice for students on general strategies for attaining academic and career success.

Jacqui Brinkman, Director of Graduate Student Professional Development will be joining us at next Friday's orientation to dive into how to make the most of making your own plan for graduate school success, as well as the wide array of professional development and career opportunities through UBC.
